Attention Parents/Guardians of Speech and Debaters:

As a CRN or NMS Speech/Debate member, your son/daughter will be involved in many activities. Sometimes those activities are planned and well known in advance. But as you know, some things arise spontaneously and quickly.

With that said, it would be helpful for the Speech/Debate coaching team to have the cell phone numbers of all the Speech/Debate members. These numbers will be used solely for Speech/Debate functions and communication about events. This letter is to make you, the parent/guardian, aware of the fact that I will request your son/daughter's cell phone number. Please fill out the space below and sign to give me permission to possess and use your child's cell phone number.

I, \_\_\_\_\_, give my permission for the  
(Parent/Guardian Name)

Speech & Debate coaching team to have my son/daughters cell phone number. I also understand that the number will be used only for school events and functions.

Print name of student and grade: \_\_\_\_\_

Parent/Guardian Signature: \_\_\_\_\_

Thank you so much for understanding and please call or e-mail the coaches with any questions or concerns.

Thank You

*The CRN/NMS Speech & Debate Coaches*
